AIR TIME DE GREAT

2008 AQHA GRAY GELDING

Here is an outstanding barrel futurity prospect that will be Super Stakes Eligible. This yearling gelding is a stand out in every aspect. He is gorgeous, extremely well bred and is built with lots of size and substance. Powerful pedigree on both sides and has a quiet, easy going personality. What more could you want? "Arnie" has had his wolf teeth removed and is UTD on shots, worming, farrier, etc. He is just loaded with future opportunity and should be considered a serious barrel prospect.

2009 AQHA BUCKSKIN STALLION

This colt is simply gorgeous! Powerfully built with good, solid bone and to top it off he has rich buckskin color and a pretty head. Frenchmans Guy and Dash Ta Fame on his paternal side combined with Bugs Alive, Mr. Bar None and Custus Rastus coming in on the dam’s side make for a power-packed pedigree. Frenchs Hula Guy is rapidly making a name for himself as a consistent producer of quality offspring and this colt’s dam always throws outstanding foals. Not only does he have the potential to be a top-notch barrel horse, he’s going to look really good doing it!

		2009 AQHA BAY STALLION	
		<p>This is a well put together colt with good muscling and bone. His sire consistently produces intelligent offspring that are quiet and exceptionally easy to train. Kit Can Storm was a money earning racehorse with limited starts and is now an all-around ranch horse that is used for everything including teaching colts to pony – absolutely anyone can ride him. He is also a solid, money earning barrel/pole horse that is so well mannered at competitions you would never guess he was a stallion. His dam’s pedigree includes Docs Brandy Moon, who won the All-Canadian Futurity in 1988 and came back to place 2nd in the Derby the next year and Miss Kelsey who was a money earning TB over short distances. His dam’s maternal bloodlines consist of some of the great founding horses of the AQHA.</p> <p>This colt definitely has the speed, athletic ability and mind to be a great barrel prospect.</p>

RUNAWAY N SHOCK EM

2008 AQHA GRAY GELDING

This gelding is also known as “Tank” for obvious reasons. Tank is quiet, willing and very easy to work with. He has had lots of ground work done with him such as bathed, clipped, been roped, feet trimmed, brushed, tied, as well as loads and unloads easily. With Tank’s disposition and mind he should excel as a rope or barrel horse. Tank is by Timeline, who sired Sondra Marks 2008 Canadian Derby High point champion mare “Timetopullupmysocks” and Chelsea Moores gelding “ Runaway to the Moon” and Karen Kraus' mare “Chicks Moon Cash” all are just a few of his proven money earners in futurities and derbies. Bobbie Shocks has thrown very nice colts. A 4 year old filly out of Bobbie Shocks is going to the Barrel Futurities Of America this December and shows incredible promise as an outstanding barrel horse. This gelding was the pick of our crop last year, he's got both run and cow on his papers which should allow him to go in any direction and do it well.

SIX PACK OF HONOR

2009 AQHA BLACK STALLION

This big, good looking colt definitely has the potential to take you to the pay window! Both his sire and dam carry solid race / performance / cow horse combination bloodlines. His sire is gentle with a nice nature and is the type of horse that is always the same no matter how long you give him off. Honoree is a real good solid rope horse that is very well behaved when hauled. This colt’s dam is a daughter of the well known Fast Moon Chic who is siring many successful barrel horses. Six Pack’s maternal side consists of many successful performance horses and her dam is a producer of futurity, derby and rodeo money earning barrel, steer wrestling and rope horses.

LS CHOOSE DACASH

2008 AQHA BROWN GELDING

Dillon’s pedigree reads of speed and barrel racing potential. He is an easy going gelding who takes everything in stride.
His sire is a stakes winning racehorse with a SI101 & \$20 492 in race winnings.
This gelding is a paternal half brother to ’08 CFR barrel horse & Reserve Champion “Vader”. His maternal side is equally as strong; Flying Effort SI94, race earnings of \$24 295 has sired numerous top race and barrel horses. Also in her pedigree is Bar Hemp whose offspring have been proving their talent in the barrel arena for many years.
He will be a big horse, maturing to 15.2 – 16hh.
He’s a good-looking, correct gelding with all the potential to be a successful barrel horse.

2008 AQHA BLACK MARE

Secret is out of my favorite mare and a full sister to one of the nicest horses I have ever had the privilege of riding. I have kept two of her full sisters and the decision to offer her for sale was a very difficult one but I don't foresee having the time to get her ready for the Super Stakes run myself and I know that she absolutely has the potential to be an outstanding barrel horse.

Most of the people that buy JD's colts or breed to him now are people that have ridden his offspring which I believe speaks volumes about their mind and athletic ability.

They are excelling in many disciplines including barrel racing. Secret's dam is from those good, old time bloodlines when the horses were used for everything which meant they had to be strong, fast and durable.

PENDING

2009 AQHA PALAMINO STALLION

This is a powerfully built and very athletic colt. He is extremely quick on his feet and has a big hip with what some refer to as a “double muscle”. His sire carries some of the most successful barrel racing bloodlines in history and is rapidly proving himself as a consistent sire of top quality prospects. His dam is a daughter of JDS Rebel Rouser who is the sire of many successful barrel, rope & performance horses. Her maternal side comes from an old Alberta based breeding program that produced many great rodeo horses. Jitterbug was started by a top reining trainer and showed a ton of ability and talent before an injury sidelined her and she eventually ended up as a broodmare because of it. This colt definitely has all of the makings of a great one!

2009 AQHA BLACK STALLION

I am pretty excited about this colt. He is well balanced, correct and he is going to be a tall boy too. It doesn't hurt that he is black and beautiful as well. His pedigree is simply outstanding. Coal's sire is a first year sire with a pedigree loaded with racing royalty. Count Corona has offspring race earnings in excess of \$3 million and he is the sire of leading Alberta racehorse Six Pack Of Corona (SI106 \$106 616). Count Corona is also a ¾ brother to leading USA sire Corona Cartel. Coal's dam is a ½ sister to 2008 CFR reserve champion barrel horse Vader who also qualified to compete in Calgary at the Stampede '09. She is a granddaughter of Bar Hemp who is the sire of many successful barrel horses. This mare's oldest foal just turned 4 and is showing talent on the barrels.

NOTES:

NOTES:

2009 CBHI AND SUPER STAKES POLICIES

* This is strictly Bonus \$'s paid to Futurity horses only - over and above the usual CBHI money awarded.*

Eligible horses must meet one of the following criteria: {3 possible eligible foals per stallion/year}

- ❖ Weanlings and Yearlings sold through the sale
- ❖ Resulting foal from a stallion service purchased through the stallion auction (dam must be on file)
- ❖ Weanling or Yearling from the stallion owner's selected "berth". Each stallion owner gets one of these per stallion that they let stand in the auction.

The "Pot" is raised from the stallion auction:

- ❖ any stallion not wishing to participate in the stallion auction must either pay \$250.00 or ½ of their current stallion service fee (whichever is higher) into the pot or none of that horse's offspring are eligible for the "bonus money" - they are still eligible for all other CBHI \$'s
- ❖ Minimum bid is ½ of the stallion's current service fee (or \$250.00 whichever is higher).
- ❖ If a donated stud fee is not sold, the stallion owner has the option of buying it and selecting one of his/her own foals to apply the berth to.
- ❖ Deceased stallions with foal crops coming / weanlings or yearlings to put in the sale can participate if they pay ½ of their last posted stud fee into the pot.
- ❖ 2 yr limitation (is transferable within that period) on stallion service (either auction or "berth" awarded to stallion owner)
- ❖ Refundable only in case of death of the stallion or if he becomes infertile.

Payout of the Super Stakes \$'s will be awarded to the fast time(s) overall out of a combination of the 1st and 2nd go of the Futurity. Winning horses do not have to have placed in the go-rounds.

This is just approximate based on \$20,000.00 raised:

- ❖ Eligible Horses = 1st \$9,000.00, 2nd \$3,000.00, 3rd \$1,800.00, 4th \$1,200.00
- ❖ Stallion Owner = 1st \$3,000.00, 2nd \$1,000.00, 3rd \$600.00, 4th \$400.00
- ❖ {60% to 1st, then 50%, 30%, 20% of the remaining 40%}

Actual Payout for the 2013 Futurity will be listed on the website, in the sale catalogue, Futurity programs, displayed in the form of large "Award cheques" displayed as eligible horses sell and announced at the 2009 CBHI Breeders Sale in conjunction with the CBHI Futurity and Derby.

Deadlines:

Stallion Service Auction deadline is April 15th

- ❖ Buyer must have the stud fee, a copy of the mare's papers and their portion of the nomination fee {\$75.00} into the Kelly by June 1st at the latest. The stud fee is payable immediately following notification of a winning bid.
- ❖ the stallion owner must have their \$25.00 portion of the nomination fee into Kelly by June 1st
- ❖ if the mare does not have a foal the following year, the office must be notified in writing so that her papers can be moved to the next year or a replacement mare's papers submitted
- ❖ If the stallion owner wishes to use their "berth" and designate a weanling or yearling, they must have the full \$100.00 nomination fee and the papers into Kelly by June 1st. {their payment will be \$125.00 including the \$25.00 portion from above }

❖ papers for the stallion owners "berth" may be submitted anytime up to sale day (October 10, 2009)

Sale in conjunction with the Futurity:

- ❖ any stallion owner wishing to enter a horse in the sale (any age) must have a copy of the papers or the weanling's application and the \$100.00 Sale entry fee into Alison by July 1st (no exceptions)
- ❖ the original papers, signed transfer and manifest must be in the office before your stall will be opened
- ❖ it is recommended that a picture accompany the entry / absolute deadline for pictures is September 1st
- ❖ Following the sale, the CBHI will hold the original papers until notification by the stallion owner that the check has cleared; at which point, they will be mailed out to the buyer.
- ❖ Only one entry per stallion and the owner must be the stallion owner.
- ❖ The buyer of any weanlings or yearlings of qualifying stallions has the option to pay the (one-time) \$75.00 nomination fee to make that horse eligible for the Futurity "Super Stakes" \$'s {stallion owner pays \$25.00} at the sale or up until 1 month following at which point the eligibility of that weanling/yearling is revoked.

New for 2009:

The auction will be done by Miles Wowk { <http://www.wowkranchauctions.com> } which will include phone-in bidding, ring men, and the auctioneer setting up in the middle of the arena.

New format/style of catalogues.

Deadlines are going to have to be enforced in order to have everything organized properly.

An office will be set up during the sale where the buyers will issue their cheques and be put in touch with the appropriate stallion owner.

Insurance and available hauler's information will be listed in the front of the catalogue.

There will not be a turkey supper or the wine and cheese. Concession and Bar will be open prior to the sale.

Grade horses will be eligible for CBHI money but they must have a certificate from UC Davis proving parentage. {See form and instructions w/link on the CBHI website for detailed instructions – total cost is \$80.00 USA funds}

Once a horse has been entered in the sale, a veterinary certificate stating the reason the horse is not fit to attend must be submitted prior to any substitutions / no refunds after July 1st deadline. In the case of a legitimate substitution; it is the seller's responsibility to provide an insert for the catalogue (and enough copies) after September 1st.

The seller must submit the write-up that they want listed in the catalogue with their entry by July 1st. A separate write-up to be read by the pedigree reader at the time of auction must be in the office by Sept. 1st. Please have some different information in the 2nd write up and enough information that it gives the reader something to elaborate on other than just the pedigree and what the buyers can already read in their catalogue.

Stallion owner must be in good standing in order to participate.

Super Stakes incentive horses may only go through the sale one 1 time as a weanling or yearling. Horses who have obtained a certificate from the stallion owner's berth or through the stallion auction may not be entered in the sale.

Super Stakes Certificates are the property of the Canadian Barrel Horse Incentive program and are issued to the horse under their registered name. They remain with that horse in the event that the horse is sold. In the case of the death of the horse, the certificate will be returned to the office so it can be marked as deceased.
