B. Payoff, Entry Fees, Deadlines & Eligibility Requirements:

1. An Entry fee will be deemed by the committee for the both the Futurity and Derby events, and will be posted on the official entry form. The Futurity & Derby shall consist of 2 Long Go Rounds, a Short Go, and an Average. The Short Go qualifiers will be determined by a horse's average. In the event of a tie for last place qualifying for the short go, the fastest combined time of 2 runs will be taken between the contestants who are tied. If this does not break the tie, both contestants will be invited to compete in the Short Go. The Average will be determined by a horse's fastest qualifying time over the 2 Long Go's and the Short Go time combined. These 2 will flip a coin for the blanket.

2. Entry Fees may be split into 2 equal payments. A minimum of half the entry fee must be received by the committee no later than Aug 1; the remainder is due by Sept 1. Failing to meet the Aug 1 deadline will result in a \$50.00 late fee. A \$50.00 late fee will be assessed with each late payment for each horse entered. All stall, ground, camping, and side pot fees must accompany your second payment. Only horses that have both payments, and paperwork submitted by the Sept 1th deadline will go in the draw. Late entries will be accepted until 7 days prior to the event start date. All late entries will run at the bottom of the draw both days, and will not be accepted until all fees, including late fees, are paid. No late entry's excepted after October 1.

3. The Futurity is open to horses 5 years of age and younger of the competing year. To be eligible for the Futurity, the horse must NEVER have competed in ANY barrel race, including AQHA shows, play days, novice horse events, derbies, rodeos, etc. prior to December 1 of the previous year. To do so means forfeit of any and all fees paid and elimination from the futurity. The Futurity Long go's will be a 2D (two division event) with 7/10 second split determining the divisions. You have to enter the 2D. The short go and average will not have any split.

4. The Derby is Open to horses 7 years of age and younger of the competing year. There are no rules on prior competition for the Derby. No horse may enter both the CBHI Futurity & Derby within the same year. The Derby will be a 2D (two division event) with 7/10 second split determining the divisions. You have to enter the 2D. The short-go and average will not have any split.

5. There will be a \$25 charge for every NSF cheque.

C. Payout will be as follows for both Futurity & Derby Events:

- b. Long Go 2 = 25% of Purse
- c. Short Go = 10% of Purse
- d. Average = 40% of Purse

If a contestant runs by a barrel and has to back up or turn around and retrace their tracks, this would be considered a broken pattern.
