Canadian Barrel Horse Incentive

2010

Breeders Select Sale

October 9, 2010 @ Thorsby, Ab

Notes:

CBHI

Canadian Barrel Horse Incentive

The CBHI would like to express it's appreciation to all the stallion owners for their participation and support of the Canadian Barrel Horse Incentive. In 2004 Sharon Fergusson and Alison Low were looking for a program to advertise and promote their breeding program because, although the USA had incentive programs, there didn't seem to be anything specific to the barrel racing industry here in Canada. After a lot of research and many hours of consultation and meetings around our kitchen table, the CBHI became a reality.

Some of the original thirteen members that have supported this association through its growing pains were Irene Batchelor, Keri Schweer, Dee Butterfield, Marla Grad, Alison Low, Shelly Hawthorne, Sharon Fergusson and Rendal & Marti Bishop.

Today we have **ninety one** stallions and have our own website, we co-sanction events in B.C., Saskatchewan, Manitoba and Alberta, and we host our own Futurity/Derby & Open Barrel Race along with a horse sale. In addition, last year we have created a Super Stakes venue to further promote the offspring of the sponsored stallions. New members provide new ideas and we are constantly trying to address any new suggestions for the benefit of all. Ralph & Kelly Danard have supported the CBHI, picked us up when we were down and Kelly has worked tirelessly on the Stallion Auction. We would also like to thank the many behind the scenes, too numerous to name, and want you to know your support and help is appreciated so much. We want the stallion owners to know that this is your incentive - thank you for your support - we would be nothing without you.

Sharon

2010 AQHA BLACK FILLY

This eye catching filly has everything it takes to be a great barrel horse. Her bloodlines are stacked- Dash For Perks, Special Effort, Easy Jet, Docs Paradise, Fast Moon Chic just to name a few. Her papers speak for themselves. Her sire Perk Upon A Star has a very gentle personality, great confirmation and shows potential as both a barrel horse and a rope horse. He has both speed and cow sense. Her dam Im No Foolish Chic (grand dam is a full blood sibling to Jill Besplugs's Chick) was sidelined with an injury but showed great promise before she was hurt. 2010 AQHA SORREL COLT

Honoree is an own son of Jet Of Honor who is a legend in his own right as a sire of barrel horses. Honoree's dam is a product of solid working blood and he himself is a nice riding horse that has shown talent in the roping pen with very limited exposure.

Jill Betaberk comes from a breeding program that was very particular to maintaining good feet and bone along with speed and athletic ability which is why we have included her in our broodmare band.

This colt was born big and correct. He is going to be one flashy and very big boy.

CBHI

Canadian Barrel Horse Incentive

CBHI SUPER STAKES

* This is strictly Bonus \$'s paid to Futurity horses only - over and above the usual CBHI money awarded.*

Eligible horses must meet one of the following criteria:

- ❖ Weanlings and Yearlings sold through the sale
- ❖ Resulting foal from a stallion service purchased through the stallion auction (dam must be on file)
- ❖ Weanling or Yearling from the stallion owner's selected "berth". Each stallion owner gets one of these per stallion that they let stand in the auction. If they stood in the stallion auction, but not consign one to the fall sale, they would have two on farm Super Stakes

The "Pot" is raised from the stallion auction:

- ❖ Any stallion not wishing to participate in the Super Stakes Stallion Auction will not be eligible off spring. (They are still eligible for all other CBHI \$'s)
- ❖ Minimum bid is 1/2 of the stallion's current service fee (or \$250.00 whichever is higher).
- ❖ If a donated stud fee is not sold, the stallion owner has the option of buying it back at the average and selecting one of his/her own foals to apply the berth to (with the \$100.00 nomination fee).
- ❖ Each certificate has a onetime fee of \$100.00.
- ❖ 2 yr limitation (is transferable within that period) on stallion service (either auction or "berth" awarded to stallion owner)
- ❖ Refundable only in case of death of the stallion or if he becomes infertile; not by gelding.

Payout of the Super Stakes \$'s will be awarded to the fast time(s) overall out of a combination of the 1st and 2nd go of the Futurity. Winning horses do not have to have placed in the go-rounds.

Below is the payout for 2014, based on the estimated \$50,000.00 being raised:

Eligible Horses = 75% \$37,500.00 ➤ 1st \$22,500.00 2nd \$7,500.00 3rd \$4,500.00 4th \$3,000.00
Stallion Owner = 25% \$12,500.00 ➤ 1st \$7,500.00 2nd \$2,500.00 3rd \$1,500.00 4th \$1,000.00
{60% to 1st, then 50%, 30%, 20% of the remaining 40%}

Deadlines:

Stallion Service Auction deadline will be announced

- ❖ Buyer must have the stud fee, a copy of the mare's papers and their portion of the nomination fee {\$75.00} into the Kelly by the announced deadline.
- ❖ The stallion owner must have their \$25.00 portion of the nomination fee into Kelly by October 1st or the Fall Sale Date.
- ❖ If the mare does not have a foal the following year, the office must be notified in writing so that her papers can be moved to the next year or a replacement mare's papers submitted
- ❖ If the stallion owner wishes to use their "berth" and designate a weanling or yearling, they must have the full \$100.00 nomination fee and the papers into Kelly by October 1st. {their payment will be \$125.00 including the \$25.00 portion from above }
- ❖ Papers for the stallion owners "berth" may be submitted anytime up to sale day.

Sale in conjunction with the Futurity:

- ❖ Any stallion owner wishing to enter a horse in the sale (any age) must have a copy of the papers or the weanling's filled in application and the \$150.00 Sale Entry Fee plus the \$100.00 Super Stakes Fee if eligible into Alison by July 1st (no exceptions)
- ❖ The original papers, signed transfer and manifest must be in the office before your stall will be opened
- ❖ Following the sale, the CBHI will hold the original papers until notification by the stallion owner that the check has cleared; at which point, they will be mailed out to the buyer.
- ❖ Only one entry per stallion and the owner must be the stallion owner.
- ❖ The buyer of any weanlings or yearlings of qualifying stallions has the option to pay the (one-time) \$75.00 nomination fee to make that horse eligible for the Futurity "Super Stakes" \$'s {stallion owner pays \$25.00} at the sale following at which point the eligibility of that weanling/yearling is revoked.

The auction will be done by Mike Wowk { <http://www.wowkauctionservices.com> } which will include phone-in bidding, ring men, and the auctioneer setting up in the middle of the arena.

Deadlines are going to have to be enforced in order to have everything organized properly.

An office will be set up during the sale where the buyers will issue their cheques and be put in touch with the appropriate stallion owner.

Concession and Bar will be open prior to the sale. Complementary wine will be served to those attending.

Grade horses will be eligible for CBHI money but they must have a certificate from UC Davis proving parentage. {See form and instructions w/link on the CBHI website for detailed instructions – total cost is \$80.00 USA funds}

Once a horse has been entered in the sale, a veterinary certificate stating the reason the horse is not fit to attend must be submitted prior to any substitutions / no refunds after July 1st deadline. In the case of a legitimate substitution; it is the seller's responsibility to provide an insert for the catalogue (and enough copies) after September 1st.

The seller must submit the write-up that they want listed in the catalogue with their entry by July 1st.

Stallion owner must be in good standing in order to participate.

Super Stakes incentive horses may only go through the sale one time as a weanling or yearling. Horses who have obtained a certificate from the stallion owner's berth or through the stallion auction may not be entered in the sale.

Super Stakes Certificates are the property of the Canadian Barrel Horse Incentive program and are issued to the horse under their registered name. They remain with that horse in the event that the horse is sold. In the case of the death of the horse, the certificate will be returned to the office so it can be marked as deceased.
