Welcome to the annual Canadian Barrel Horse Incentive breeders select sale.

We would like to take this opportunity to thank all the stallion owners for their continuing support of the Canadian Barrel Horse Incentive Program. Since its inception we have grown to over 200 stallions, we co-sanction events in British Columbia, Saskatchewan, Alberta and Manitoba; we host one of the biggest Futurity/Derby and open Barrel Racing weekends in Canada and hold one of the most popular sales in western Canada.

We would also like to extend our appreciation to all the people who volunteer their time and skills to make every aspect of the program a successful reality.

Together we are having a positive impact on the horse industry.

**CORONA MONA LISA**  
**2015 BROWN FILLY**  
**AQHA # 5707805**

This filly was handled on a daily basis all winter as a weanling. She has spent the entire summer out on grass and hasn't been fed up on grain. She is kind, gentle, easy to catch and trim. She is bred for versatility. Will be cowy, catty and is crossed with speed. Midnight Corona is one of Montana's top race sires, and was crossed onto our family's line of great ranch and rope horses that go back to Browers Jabobus. Her dam is one of our nicest mares at the ranch going back to Truly Truckle and Three bars. Fames Game is by Mac N Fame and out of A Dash Of Beduino mare. This filly will make a nice horse for any job you give her.

**AQHA#5718110**

Sharp looking, palomino gelding, is the perfect cross of cow and run. His sire is producing successful, trainable colts, excelling in several disciplines. From a mounted shooting World Champion, to a head horse who won the Northlands Rope Horse Futurity as a 4yr old, Reserve Champion as a 5yr old and went on to win several rounds at the 2016 Ft Worth Rodeo, and the Semi-Final 2nd round at 2016 Rodeo Houston, as a 6yr old. PC Double Frost colts are starting to hit the barrel pen, showing athleticism and speed. The dam of this colt comes from a long line of black-type, producing mares, with his grand-dam having Canadian progeny earnings in excess of \$167K. This keen colt should mature in the 15.1 range.
